

Stonebridge's Loyalty Program

Stonebridge Country Club is pleased to offer a loyalty program that rewards our patrons with **FREE golf and carts!** Simply register at our pro-shop and every dollar you spend on greens fees and carts will earn you free golf.

The Loyalty Program is **open to the public**. Registration is quick and simple. Provide us with your full name, email address, and give us one minute to take your picture and we will create a personal account for you in our system. As you pay for rounds of golf or cart rentals, we will credit your personal account with one point for every one dollar you spend. Once you've earned enough points, you simply redeem them for free golf and carts!

No membership cards and monthly account statements are necessary. When you sign-in for your tee-time, we will tell you if you are eligible for free golf or a cart. We also print your points at the bottom of your receipt, so you can keep track of your points as well.

Sign-up today and start earning free golf and carts!

Terms and Conditions: This program is open to the general public. Employees and annual members of Stonebridge Country Club are not eligible to participate. Reward points are earned solely based on the green fees and cart fees paid and used by each Loyalty Program Member. Reward points will not be earned for green fees and cart fees paid for and used by other golfers in the group. Reward points will be earned for gift certificates only when the gift certificate is redeemed and used by a SCC Loyalty Program Member to pay for green fees and cart fees. The redemption level in effect is based on the date upon which a SCC Loyalty Program Member redeems their points. Stonebridge Country Club reserves the right to amend or change the earned award rate and redemption levels at any time without advance notice.

Redemption Levels:

- 600 points: 18 holes – Saturday, Sunday, Holidays
